ACTIVITIES

In activities this month we tried to take advantage of any good weather we had by holding activities outside whenever possible. This has included doing exercise, going for walks in our grounds, or simply enjoying some music.

We've replied to the postcards of kindness we have received and spent some time making cards to write our replies on.

Other crafts we have done include cross stitch, weaving a flower craft, and some knitting.

We've also spent time playing board games, doing puzzles and quizzes, and doing some guided meditation.

THANK YOU

A big thank you to Dr Mather and the team at Sunnyside surgery for our lovely hamper and card!

Another big thank you to Christine Findlay for the new fish for our fish tanks! They have settled swimmingly into their new home.

BIRTHDAYS

Wishing a Happy Birthday to Rick and Ian who both celebrate their birthdays this month!

POST CARDS OF KINDNESS
