ACTIVITIES

Throughout the last month we have taken advantage of the good weather as much as possible, going outdoors to exercise, enjoy some music and go for walks. We also signed up for 'Go Wild' with the wildlife trust and enjoyed looking at all the beautiful plants and flowers in our garden and listening to the different bird songs.

When it was too cold to go out, we used petals to make flower suncatchers, and used plants and pinecones to paint a picture. We also watched the live cam of kittiwakes at Newcastle.

We finished our 'Gratitude' display made up of a rainbow of our handprints and stars decorated with something we are grateful for.

We have also spent time making cards and replying to the postcards of kindness we had received.

"When it rains look for rainbows"
"When its dark look for stars"

We were saddened by the loss of one of our clients Gary, a true gent, who passed away last month. We held a service in our memorial garden to give everyone a chance to say their farewells.
