ACTIVITIES

We are very grateful to Helen from Wag and Co, who has sent us a slideshow of Izzy our friendship dog. With lots of lovely photos and information about what Izzy has been getting up to. We were especially excited to hear that she has been chosen to be 'Miss August' in Wag and Co's 2021 calendar. We are making some gifts for Izzy to say well done and Thank you.

We are doing regular exercise classes each week, which we do outdoors whenever the weather allows.

WELCOME TO THE TEAM

Welcome to our new registered nurse, Jayne, who has joined the team this month. Jayne has many years experience and specialises in palliative care.

We also welcome Hannah and Megan who have joined the team as support workers.

THANK YOU

A big thank you to Martins lovely wife, Julia, who kindly dropped off sweets for all the staff at Chase Park. They were very much enjoyed!

Management team would like to thank all residents, families and staff for their ongoing hard work and support, during this very stressful time. No longer allowing garden visits has been hard for everyone and we are so grateful for families for their ongoing understanding. We follow local and government guidance and lets all hope we can re open as soon as safe to do so.

We, as most people will be aware, are now COVID testing staff every week and residents every month. It is not the most pleasant procedure so thank you all for having this done, without too many complaints!

Stay safe everyone.

Jane, Alina, Niraj and Nikhil.
