Celebrating our success is so important and, while we often focus on the things we want to improve, we should also take time to reflect on the things we do so well. Whether this is recognising those who are working directly with our residents, or playing an essential role behind the scenes. Please continue to nominate your colleagues and a huge thank you to everyone.

EMPLOYEES OF THE MONTH—July 2022

We have had a great response with multiple staff members being nominated this month including Lyndsey Smith, Cheryl Edgar, Liz Goldsborough, Gladys Bertram, Gary Webber, Gemma Hopkins, Millie Jo Appleby, Christine Ranson, Tracy Harrison. Deb Davies, Donna Finlay & Ian Clements.

A huge well done to Gladys and Gary & to all those nominated.

Mental Health & Well Being

It has been a tough couple of years and it is important that we look after our mental as well as physical wellbeing.

We are here to support you and as summer is here, please stay healthy and happy.

What Matters to You?

What brings you joy at work and what is not so good? Over the coming weeks & months we will be asking you to join us in conversations & answering questions on how to make improvements & more importantly how to support each other.

which when pursued, is always just beyond your grasp, but which, if you will sit down quietly, may alight upon you”
