We are extremely proud to announce that Chase Park has been shortlisted in the North East region of the Great British Care Awards for ***the Care Team Award!***

## Employee of the month

We are immensely proud of our care team here at Chase Park and all of their brilliant, dedicated work (not forgetting about our hard working nurses, therapy team, domestics, admin and management) and are looking forward to hearing the results as announced in November, no matter the outcome.

A big congratulations to Liz for winning employee of the month in September, and to Gemma for October. Well deserved, and well done to the other staff members that have been nominated in the past two months.

Wish us luck!

A warm welcome to Hannah, who joined the Chase Park team as a support worker this month.

We have very much been getting into the spooky spirit at Chase Park, as you can tell by Stephen and Linda's creepy costumes. Meanwhile, our service users have been enjoying lots of Halloween themed activities, including crafts and scary movie days.

A big Happy Birthday to Carol and Joyce, who celebrated this month!

# HAPPY Halloween

We've had a lot of fun celebrating Halloween this year at Chase Park, especially during our Halloween party where we decorated biscuits, played sensory games, hosted a trick-or-treat tombola, and had an all round great time.

Family Liaison Officer, Marion, would like to thank all who attended our last family get together meeting, and would like to invite you to another to be held on **Sunday 4th December, 2-4 pm, in the Health Club**

October 7th celebrates **World Smile Day**, a day to devote ourselves to smiles and spreading random acts of kindness

Each year, the 10th of October celebrates **World Mental Health Day**, and we believe that mental health should hold an equal importance to physical health. By amplifying the message that mental health is everyone’s priority, we can work to end the stigma and be more honest and open—whether that be as a family member, service user or worker.
