We've had a busy month at Chase Park, filled with lots of fun activities for our service users. We have very much been a social bunch this February, spending lots of time together as a community.

Our clients have been enjoying 'Walking Wednesdays,' where each week a group of us will get together for a nice brisk walk out for some fresh air. As you can see we like to have a bit of a pit stop, usually filled with plenty of chatter and sometimes even a sing-along.

Employee of the Month

Congratulations to Christine Ranson for being the employee of the month in January, and to Tamsyn for winning the Amazon tombola! Well done to all that were nominated for their hard work, including; Holly, Tamsyn, Cheryl K, Demi, Kath P, Andy, and Kath S.

We've had a couple of special visitors this month, the first being therapy dog 'Watson' and his owner Lissa. Watson visited our service users for the first time as a bit of a taster session, where he met everybody and got plenty of treats and pats. We are lucky enough to have Watson and Lissa return to see us once a month going ahead, our clients can't wait for some more doggy cuddles!

We also got to enjoy a performance from Callum, who came along to sing for our clients, families and staff, along with his acoustic guitar and harmonica. Callum sang songs by Elvis, Johnny Cash, Neil Diamond and much more; our service users absolutely loved this and even sang along (not to mention the staff singing and dancing alongside them). It was a great afternoon of entertainment and we hope to have Callum back in the future.

There has been love in the air here at Chase Park as our service users celebrated Valentine's Day. We made cards for our loved ones and some even received gifts themselves.

We would like to send out a big happy birthday to MF and SW, who both celebrated this month.

As you may be aware, this month our service users decided to give something back to the community and support the very important charity CHUF on their 'Wear Red' day. On this day we all participated by wearing red, we also had a delicious cake sale, and hosted a tombola and raffle. Our service users got involved and enjoyed the sense of community spirit. We would like to thank all that were kind enough to donate; CHUF is a very special charity and we were glad to be a part of something important.

Family Get Together

Family Liaison Marion would like to invite the families of our Rehab service users to a get together on **Wednesday 22nd of March, from 4pm** in the Health Club. If you would like to speak to Marion before then, or have any private matters to discuss, please contact her via email marion@chasepark.co.uk or telephone **01916912568** to organise a suitable time to chat.
