June has been a month filled with fun for our service users, from brand new weekly quizzes, to the lovely Tom and Margery coming to perform for us in the glorious sunshine. Our service users loved the singers, they sang and danced along like nobody was watching. Next, we all look forward to having Shirley Mac perform for us on **Friday 14th of July at 10.30am.**

We also enjoyed a great musical performance by the Puppets, who sang all of our favourite classics and entertained us for a morning.

Of course we have been making the most of the weather this month and spent the majority of our days outside doing lots of fun activities. Our favourites have been; painting and decorating plant pots and rocks to ornament the grounds, going for walks, playing garden games with our new giant football, and everybody's favourite: Karaoke Club—in the sun edition.

We have now started cookery club, and as you can tell from the photos, our service users are thoroughly enjoying this. Our first session started simple, decorating biscuits and of course having a taste. We also had a little session of making scones which turned out beautifully, and they were mouth-wateringly tasty.

Our weekly Bingo afternoons have also been going down a treat with our service users, and even family members. Everybody enjoys the little bit of competition and winning some fabulous prizes.

Our Family Liaison Officer Marion would like to remind our service users about her weekly drop in sessions, where they can discuss any necessary topics in confidence. These are held each Tuesday, at 11.30am in the Rehab unit, and 1.30pm in the Villa.

We'd like to send our best wishes to PD, SW, TS and AC who have all celebrated their birthdays in June.
Happy Birthday!

"Shoot for the moon. Even if you miss, you will land amongst the stars."

Congratulations to Rebecca P who won employee of the month this month, which was very well deserved after her transition from the Health Club to the Activities team. Another well done goes to Tracey H for winning the tombola prize, and of course all of the other staff that were nominated. Keep up the good work!

If you ever have any concerns, safeguarding issues, or complaints regarding our care, please contact our family liaison who can direct you through the process, or contact the home manager, Jane, directly. Please ask a member of staff for contact details if necessary.
