This month we were very lucky to have been visited by the lovely Shirley Mac, who put on a fantastic performance for our service users. It was great to see everybody up alongside Shirley, singing and dancing like nobody was watching. We hope to see her again very soon!

Although the weather hasn't been quite up to our expectations this month, we have still been jam packed with activities and days of fun to get us through those rainy days. We are looking forward to the return of some sunshine and hopefully soon will be able to spend a little more time out in the fresh air while its still warm.

Our service users have enjoyed crafts and card making this month, and along with birthday celebrations and wedding anniversaries, we had the bittersweet activity of making 'Happy Retirement' cards for long-time staff member, Liz J. Liz has been a valued member off staff here at Chase Park for 14 years and will be thoroughly missed by all. We wish Liz a very, very happy retirement.

As always we have been having lots of fun with our karaoke club, bingo and walking groups, along with pamper days, potting plants and even watching England beat Denmark in the Women's Football World Cup.

The rainy days of July have meant that quizzes, board games and card games have been a big hit with our service users; not only are they lots of fun, but these games are great for practicing coordination and keeping our minds sharp. We also managed to spend time in the grounds (when we could) playing everyone's favourite garden games.

All service users at Chase Park are welcome to meet Marion (Family liaison officer) at her drop in sessions at 11.30am in the Rehab Suite, or 1.30pm in the Villa Suite, each Tuesday to have any private discussions or raise any concerns.

## Employee of the Month

Congratulations Tracy H for winning employee of the month, after transferring from a care role to now working in the kitchen and stepping up where needed; very well deserved! Well done to Natalie B for claiming this month's tombola prize, and to everyone else that was nominated this July, including: Gail Stoker, Gary Webber, Gillian Thew, Louise McEwan, Holly McTurk and Kate McNally. Keep up the good work everyone.

We'd like to send our best wishes to service users SK and KB who both celebrated birthdays in July.  
Happy Birthday!

We'd also like to congratulate Mr & Mrs SW and Mr & Mrs BB, both of whom celebrated their wedding anniversaries this month. Many happy wishes to you all.

If you ever have any concerns, safeguarding issues, or complaints regarding our care, please contact our family liaison who can direct you through the process, or contact the home manager directly. Please ask a member of staff for contact details if necessary.

We are asking for donations towards raffles and tombola's as our service users, friends, family and staff are all welcome to join us on **Saturday the 2nd of September**, between **11am and 2pm**, for our end-of-summer fete. We look forward to seeing everyone there for a day of fun and games and hopefully some sunshine!
