Baby its cold outside... but that won't stop us from having a good time! This month our service users have enjoyed plenty of activities, from a belated Halloween party, to preparing for the upcoming festivities. Despite the cold weather we've found time for everything, including getting out and about whenever we could.

In October, due to unforeseen circumstances, we had to cancel our Halloween party. Thankfully we managed to reorganise this for the following week and ended up enjoying our party all the more. We played spooky games, listened to scary music, had our faces painted and enjoyed lots of sweet treats. Our favourite bit of the party, however, was enjoying the laughter and company of friends.

This month we had a special little visitor to join us for the morning. This is Belle, a family pet of one of our members of staff who will soon be a regular face at Chase Park. Belle is a very calm, relaxed dog who loves cuddles and attention so will be a brilliant asset to our team, in aid of making our service users smile and enjoy the kind of comfort that only a pet can provide.

To kick off the festivities, a handful of our service users made their way down to Whickham village this month to watch the Christmas lights switch on. We joined the community in singing carols, and waited until dusk to see the Christmas tree be lit. It was a lovely experience for everybody to join their neighbours in beginning the festive celebrations.

Cotton wool snowmen—guaranteed not to melt before the big day!

By the end of November, we were all in full Christmas mode. We have been crafting and decorating till our hearts content, getting very creative (if we do say so ourselves) and having lots of fun while we did so

When Santa got stuck in the chimney...  
Our home-made and decorated Christmas fireplace, yet to be completed with stockings and tinsel

From wreaths, to stockings, to baubles; our service users seem to be elves-in-training with all of the hard work they've put into their crafts so far
